## ADVERTISING POLICY

**TERMS:** Political Ads, Going out of Business Ads, New Accounts and Accounts without established credit require payment in advance.

Accounts with established credit are billed on the 25th of each month for the ads run that month. Payment must be **received** prior to the 24th of the following month. A fee of 1.5% of the outstanding balance (\$1.00 minimum) is added on the 24th if payment is late. Advertising will be **cancelled** if an account is 2 months overdue.

**DISCOUNTS:** Ads running under the discount schedule described on the front page must appear in The Beacher weekly or biweekly. If two weeks pass without an ad appearing, then the discount is lost and previous bills which were based on the discount will be adjusted.

**DEADLINE:** We need ad copy, pictures, logos, or anything else for the ad in The Beacher office by noon on the Thursday prior to publication. This allows for proofs to be emailed prior to publication.

**POSITION:** Ads are randomly positioned. We feel ads that appear in a different location each week are more likely to be noticed.

**ERRORS:** It is the responsibility of the advertiser to check the ad when published and notify The Beacher of any errors. An allowance of 25% of the ad price will be made for 1 error, 100% for 2 or more errors. This allowance applies to the first time the erroneous ad is published, there is no additional adjustment if the advertiser allows the erroneous ad to continue without notifying us.
